

The Cairo Regional Centre for International Commercial Arbitration (CRCICA) and Nairobi Centre for International Arbitration (NCIA) penned off a Memorandum of Understanding (MOU) during the just concluded 7th East Africa International Arbitration Conference 2019 at Radisson Blu Hotel in Nairobi.

Cairo and Nairobi agreed to enter into an agreement of mutual cooperation and capacity building. It is anticipated that this MOU will provide a framework through which mutual knowledge sharing will be deepened. It is envisaged that a positive and mutually beneficial relationship will be established in the areas of seminars, conferences, information exchange, alternative hearing centers, exchange visits among other mutually beneficial activities.

It is hoped that these kind of partnerships will boost arbitration practice on the African continent.
